

This aerial site plan illustrates the proposed school building and its surrounding features. The plan includes the following elements:

- Water Features:** COLLEY BAY is located to the northwest. Wetlands are marked with green hatched areas, including a "WETLANDS DISCOVERY" area. A "100 YEAR FLOOD PLAIN" is indicated by a blue dashed line.
- Buffers and Limits:** "APPROX WETLANDS LIMIT", "APPROX 50' RPA BUFFER", and "APPROX 100' RPA BUFFER" are shown as white dashed lines. A red dashed line represents the "100' RPA Buffer".
- Existing Infrastructure:** "EXISTING TENNIS COURTS", "EXISTING TREES", "WHRO STUDIOS", and "HAMPTON BLVD" are labeled. A "FITNESS TRAIL" is also shown.
- Proposed and Existing Fields:** A "SOFTBALL/BASEBALL FIELD" is shown in yellow. Three "SOCCER/FOOTBALL/MULTI-PURPOSE COMMUNITY USE FIELD" areas are shown in green. An "EXISTING SCHOOL BUILDING (TO BE DEMOLISHED)" is shown in purple.
- Building and Site Features:** The "PROPOSED BUILDING" is shown in grey. Other features include "BUS DROP OFF", "BUS ENTRY", "PK FITNESS DEV. EQUIP. AREA", "FITNESS DEV. EQUIP. AREA", "OUTDOOR CLASSROOM", "SERVICE YARD", "SWM" (storm water management) ponds, and a "PARKING (80 SPACES)" area.
- Access and Entrances:** "MAIN ENTRY / PARENT DROP-OFF" and "MAIN ENTRY" are marked with red arrows.
- Orientation:** A north arrow is located in the bottom right corner.
